## **Cozy.Nostalgic.Dreamy.**

Kalinka is a brand for simple but classic hand knitted garments for little ones from newborn up to 10 years.

The line is handcrafted in Bulgaria using the softest Merino wool imported from Peru. The concept of Kalinka is to make hand knits that are simple and romantic with a luxurious feeling and inspiration from the past.

Each Kalinka piece is hand-knitted with a lot of love and passion by experienced Bulgarian grand-mothers. Kalinka's grannies carry on centuries-old tradition of hand knitting passed down through generations.
